**March 1, 2024 | Melrose, MA** — A solo exhibition of accomplished Romanian artist and educator **Adrian Valentin Samson** opens this Friday, March 1st at Follow Your Art Community Studios (FYACS). The collection of Samson's works will be on view for the public in The Gallery at 647 Main Street through March 31st.

FYACS invites the community to the **Opening Reception** of the exhibit on **Friday, March 8th from 6–8pm**. Adrian Samson was born and currently resides in Romania, where he received his artistic training at Alexandru Ioan Cuza University and the Arts and Design University In Cluj-Napoca. This exhibit features a body of work that explores the artist's culture through imagery about family, human duality, memories, and childhood. Samson's distinctive technique and use of mixed media on both canvas and paper make this collection resonate.
